Gospel Reflection: Luke 10: 25-37

What would you do if your neighbor got into big trouble through his or her own fault? For the Jewish believer the law of love was plain and simple: treat your neighbor as you would treat yourself. A Jewish expert in the law wanted to test Jesus and His disciples to see if they correctly understood this basic commandment. He understood "neighbor" to mean one's fellow Jew who belonged to the same covenant which God made with the people of Israel. Jesus agreed with the sincere expert but challenged him to see that God's view of neighbor went beyond his narrow definition.

Jesus told a parable to show how wide God's love and mercy is towards all. Jesus's story of a brutal highway robbery was all too familiar to His audience. The road from Jerusalem to Jericho went through a narrow and steep valley surrounded by cliffs. This narrow highway was dangerous and notorious for its robbers who could easily ambush their victim and escape into the hills. No one in his right mind would think of traveling it alone.

Why did the religious leaders refuse to give any help when they saw a victim lying by the roadside? Didn't they know that this victim was their neighbor? And why did a Samaritan, an outsider who was despised by the Jews, treat this victim with special care at his own expense as he would care for his own family? Who showed true neighborly care, compassion and mercy? Jesus makes the supposed villain, the despised Samaritan, the merciful one as an example for the status conscious Jews. Why didn't the priest and Levite stop to help? The priest probably didn't want to risk the possibility of ritual impurity. His piety got in the way of charity. The Levite approached close to the victim, but stopped short of actually helping him. Perhaps he feared that bandits were using a decoy to ambush him. The Levite put personal safety ahead of saving his neighbor.

What does Jesus' story tell us about true love for one's neighbor? First, we must be willing to help even if others brought trouble on themselves through their own fault. Second, our love and concern to help others in need must be practical. Good intentions and empathizing with others are not enough. And lastly, our love for others must be as wide as God's love. No one is excluded. God's love is unconditional. So we must be ready to do good to others for their sake, just as God is good to us. Are you ready to love your neighbor unconditionally?

The St. Anne and St. Michael Parishes INSURANCE IS DUE

The overall premium increase for our parishes is 30%. Knowing the financial burden and hardship that this increase shall bring to all our churches, as in 2021 His Grace Metropolitan Lawrence has once again directed the chancery finance office to offset some of the insurance increase through parish subsidies. Therefore this year parishes will be responsible to pay the equivalent of the prior year increase plus 8%. **For St. Anne Parish the insurance bill will be \$19,479 (pre-subsidy \$24,850)** and for St. Michael Parish \$11,084 (pre-subsidy \$14,387). Please give generously to offset this cost.

St. Anne Parishioners please use the purple coloured Insurance Expense envelope found in your envelope boxes. St. Michael Parishioners please use any envelope in your envelope box but please clearly mark it as Insurance Expense. *This will be the last year affordable subsidy can be provided. Next year parishes will have to prepare for the full cost of these premiums.*

The Festival of Lights 2022 is underway and is ready to receive your help. You are invited to offer a gift to the Holy Family Home Festival of Lights Campaign. Your donation will help enhance quality of life for residents in their daily

living. Your gift will help purchase an outdoor wheelchair swing for the park, so residents who use a wheelchair can enjoy time together outdoors with their loved ones, reminiscing while having a swing.

Your gift will also help light up the Holy Family Home campus. The more dollars raised, the more lights will shine for residents to enjoy. If you travel past the Home this Christmas season, you too will be able to experience the Festival of Lights. **To donate call 204-942-0443 or online at www.lubovfoundation.ca.** You are also invited to join from your home in celebrating a non-public Divine Liturgy, live-streamed from the Holy Family Home Chapel on December 4, 2022 at 10 a.m. A link to the service will be available at www.holyfamilyhome.mb.ca.

To help a friend is really good. To help yourself is also really good. To help a stranger is the very best.

It's Time to Reflect.

Reflect, today, upon the call God gives you to show mercy. Mercy, in order to be true mercy, must hurt. It must "hurt" in the sense that it requires you to let go of your pride, selfishness and anger and choose to show love instead. You choose to show love to the point that it hurts. But that hurt is a true source of healing in that it cleanses you of your sin. Saint Mother Teresa is quoted as saying, "I have found the paradox, that if you love until it hurts, there can be no more hurt, only more love." Mercy is the kind of love that may hurt at first, but in the end leaves only love.

Lord, do make me an instrument of Your love and mercy. Help me to especially show mercy when it is hard in life and when I do not feel like it. May those moments be graced moments when You transform me into Your gift of love.
